DEFINITIONS FOR ACCIDENT & HEALTH

In this Policy, “you”, “your” and “yours” refer to the Insured. “We”, “us” and “our” refer to the company providing the insurance. In addition certain words and phrases are defined as follows:

ACCIDENT means a sudden, unexpected, unintended and external event, which causes Injury.

COVERED TRIP means: 1) A period of round-trip travel away from Home to a destination outside your city of residence; the purpose of the trip is business or pleasure and is not to obtain health care or treatment of any kind; the trip has defined departure and return dates specified when the Insured enrolls; the trip does not exceed 365 days; or 2) A period of one-way travel that starts in the U.S. or Canada (except U.S. citizens may begin their trip outside the U.S., if returning to the U.S.); the purpose of the trip is business or pleasure and is not to obtain health care or treatment of any kind; the trip has defined departure and arrival dates and defined departure and arrival places specified when the Insured applies; and the trip does not exceed 365 days in length.

ELECTIVE TREATMENT AND PROCEDURES means any medical treatment or surgical procedure that is not medically necessary including any service, treatment, or supplies that are deemed by the federal, or a state or local government authority, or by us to be research or experimental or that is not recognized as a generally accepted medical practice.

FAMILY MEMBER includes your spouse and your or your spouse’s children, brothers, sisters, uncles, aunts, in-laws, parents and any other person dependent upon the policyholder.

HOME means your primary or secondary residence.

HOSPITAL means an institution, which meets all of the following requirements:

1. it must be operated according to law;
2. it must give 24-hour medical care, diagnosis and treatment to the sick or injured on an inpatient basis;
3. it must provide diagnostic and surgical facilities supervised by Physicians;
4. registered nurses must be on 24-hour call or duty; and
5. the care must be given either on the hospital’s premises or in facilities available to the hospital on a prearranged basis.

A Hospital is not: a rest, convalescent, extended care, rehabilitation or other nursing facility; a facility which primarily treats mental illness, alcoholism, or drug addiction (or any ward, wing or other section of the hospital used for such purposes); or a facility which provides hospice care (or wing, ward or other section of a hospital used for such purposes).

INJURY means bodily harm caused by an Accident which: 1) occurs while the Insured’s coverage is in effect under the Policy; and 2) requires examination and treatment by a Physician. The Injury must be the direct cause of loss and must be independent of all other causes and must not be caused by, or result from, Sickness.

OTHER VALID AND COLLECTIBLE GROUP INSURANCE

means any group policy or contract which provides for payment of medical expenses incurred because of Physician, nurse, dental or Hospital care or treatment; or the performance of surgery or administration of anesthesia. The policy or contract providing such benefits includes group or blanket insurance policies; service plan contracts; employee benefit plans; or any plan arranged through an employer, labor union, employee benefit association or trustee; or any group plan created or administered by the federal or a state or local government or its agencies (except Medicaid). In the event any other group plan provides for benefits in the form of services in lieu of monetary payment, the usual and customary value of each service rendered will be considered a Covered Expense.

PHYSICIAN means a person licensed as a medical doctor by the jurisdiction in which he/she is resident to practice the healing arts. He/she must be practicing within the scope of his/her license for the service or treatment given and may not be you, a Traveling Companion, or a Family Member of yours.

1. received, or received a recommendation for, a diagnostic test, examination or medical treatment; or
2. took or received a prescription for drugs or medicine.

Item 2 of this definition does not apply to a condition which is treated or controlled solely through the taking of prescription drugs or medicine and remains treated or controlled without any adjustment or change in the required prescription throughout the 180-day period before coverage is effective under this Policy.

SCHEDULED DEPARTURE DATE means the date on which you are originally scheduled to leave on your Covered Trip.

SCHEDULED RETURN DATE means the date on which you are originally scheduled to return to the point where the Covered Trip started or to a different final destination.

SICKNESS means an illness or disease of the body which requires examination and treatment by a Physician.

TRAVELING COMPANION means a person whose name(s) appear(s) with you on the same Covered Trip arrangement.

USUAL AND CUSTOMARY CHARGE means the usual charge made by a provider for necessary medical services, treatment or supplies. In reaching a determination as to what amount should be viewed as Usual and Customary in any given case, we rely on an industry compiled data base.

The database used reflects the amounts charged by providers for health care procedures, services and supplies. Charges are based on a geographic area, which will generate a statistically credible claim distribution. The data is reflective of the full range of reported charges. We will use the 100% percentile of that range of charges to determine the Usual and Customary charge. This database is updated every six months and includes charges not more than one year older than the last previous update.

In order to establish a reliable basis for distribution, we may include in the database charges for services from geographical areas outside the scope of this Policy. The final basis for claims payment will be adjusted to reflect the general cost differences between the geographical area where a particular service was performed and the other geographical areas used in establishing a statistically credible database. Any such adjustment will be provided in writing to the insured at the time of claim payment if the basis for payment is less than the actual charge made by the medical care provider.

I. Introduction

About This Plan

This Certificate of Coverage is issued by HM Life Insurance Company (“the Insurer”).

In this Plan, the “Insurer” means HM Life Insurance Company. The “Eligible Participant” is the person who meets the eligibility criteria of this Certificate. The term “Insured Person,” means the Eligible Participant and any Insured Dependents.

The benefits of this Plan are provided only for those services that the Insurer determines are Medically Necessary and for which the Insured Person has benefits. The fact that a Physician prescribes or orders a service does not, by itself, mean that the service is Medically Necessary or that the service is a Covered Expense. The Eligible Participant may consult this Certificate of Coverage or telephone the Insurer at the number shown on his/her identification card if he/she has any questions about whether services are covered.

This Certificate of Coverage contains many important terms (such as “Medically Necessary” and “Covered Expense”) that are defined in Part III and capitalized throughout the Certificate of Coverage. Before reading through this Certificate of Coverage, consult Part III for the meanings of these words as they pertain to this Certificate of Coverage.

The Insurer has issued a Policy to the Group identified on the Eligible Participant’s identification card. The benefits and services listed in this Certificate of Coverage will be provided for Insured Persons for a covered Illness, Injury, or condition, subject to all of the terms and conditions of the Group’s Policy.

Choice of Hospital and Physician: Nothing contained in this Plan restricts or interferes with the Eligible Participant’s right to select the Hospital or Physician of the Eligible Participant’s choice. Also, nothing in this Plan restricts the Eligible Participant’s right to receive, at his/her expense, any treatment not covered in this Plan.

Use of Administrator: The Insurer may use a third party administrator to perform certain of the Insurer’s duties on the Insurer’s behalf. The Group and the Insured Participant will be notified of the use of an administrator.

Benefit Overview Matrix

Following is a very brief description of the benefit schedule of the Plan. This should be used only as a quick reference tool. The entire Certificate of Coverage sets forth, in detail, the rights and obligations of both the Insured Person and the Insurer. It is, therefore, important that **THE ENTIRE CERTIFICATE OF COVERAGE BE READ CAREFULLY!**

The benefits outlined in the following table show the payment percentages for Covered Expenses AFTER the Insured Person has satisfied any Deductibles and prior to satisfaction of his/her Out-of-Pocket. **Covered Expenses are based on Reasonable Charges which may be less than actual billed charges. Providers can bill the Insured Person for amounts exceeding Covered Expenses.**

2. For any other trip, when the Insured Person is less than 100 miles from his/her Home.
3. On the Period of Insurance Termination Date. However, if the Insured Person has not canceled his/her coverage, then coverage for a trip will extend past the Period of Insurance Termination Date if the Insured Person's return is delayed by unforeseeable circumstances beyond his/her control. In this event, coverage will terminate as stated immediately above or, if earlier, 11:59 p.m. on the seventh day following the Period of Insurance Termination Date.
4. If the Insured Person is covered under the Medical Evacuation Benefit, upon the Insured Person's evacuation to his/her Home Area.

The **Trip Coverage Period Maximum Benefit** is the maximum amount of benefits available to each Insured Person during the person's Trip Coverage Period. All benefits furnished are subject to this maximum amount.

U.S. means the United States of America.

IV. How the Plan Works

The Insured Person's Plan pays a portion of his/her Covered Expenses after he/she meets his/her Deductible for each Period of Insurance. This section describes the Deductible and discusses steps to take to ensure that he/she receives the highest level of benefits available under this Plan. See Definitions (Section III) for a definition of Covered Expenses and Covered Services.

The benefits described in the following sections are provided for Covered Expenses incurred by the Insured Person while covered under this Plan. An expense is incurred on the date the Insured Person receives the service or supply for which the charge is made. These benefits are subject to all provisions of this Plan, which may limit benefits or result in benefits not being payable.

Either the Insured Person or the provider of service must claim benefits by sending the Insurer properly completed claim forms itemizing the services or supplies received and the charges.

Benefits

This Benefits section shows the maximum Covered Expense for each type of provider.

No benefits are payable unless the Insured Person's coverage is in force at the time services are rendered, and the payment of benefits is subject to all the terms, conditions, limitations and exclusions of this Plan.

Note: Injuries and Illnesses resulting from terrorism and pandemics are covered as any other Injury or Illness.

Hospitals, Physicians, and Other Providers.

The amount that will be treated as a Covered Expense for services provided by a Provider will not exceed the lesser of actual billed charges or a Reasonable Charge as determined by the Insurer.

Exception: If Medicare is the primary payer, Covered Expense does not include any charge:

1. By a Hospital in excess of the approved amount as determined by Medicare; or
2. By a Physician or other provider, in excess of the lesser of the maximum Covered Expense stated above; or
 - a. For providers who accept Medicare assignment, the approved amount as determined by Medicare; or
 - b. For providers who do not accept Medicare assignment, the limiting charge as determined by Medicare.

The Insured Person will always be responsible for any expense incurred which is not covered under this Plan.

Deductibles

Deductibles are prescribed amounts of Covered Expenses the Insured Person must pay before benefits are available. The Period of Insurance Deductible applies to all Covered Expenses. Only Covered Expenses are applied to the Deductible. Any expenses the Insured Person incurs in addition to Covered Expenses are never applied to any Deductible.

Deductibles will be credited on the Insurer's files in the order in which the Insured Person's claims are processed, not necessarily in the order in which he/she receives the service or supply.

If the Insured Person submits a claim for services which have a maximum payment limit and his/her Period of Insurance Deductible is not satisfied, the Insurer will only apply the allowed per visit, per day, or per event amount (whichever applies) toward any applicable Deductible.

Period of Insurance Deductible

The Insured Person's Period of Insurance Deductible is \$0 per Insured Person per Period of Insurance. This Deductible is the amount of Covered Expenses the Insured Participant and other Insured Persons must pay for **any** Covered Services incurred for services received.

Plan Payment

After the Insured Participant satisfies any required Deductible, payment of Covered Expenses is provided as defined below:

Limited Benefits

Regardless of the Insured Person's Out-of-Pocket Maximum, the Insurer pays:

1. For Ambulance Service (non Medical Evacuation), 100% up to \$1,000;
2. Benefits for claims resulting from downhill (alpine) skiing and scuba diving (certification by the Professional Association of Diving Instructors (PADI) or the National Association of Underwater Instructors (NAUI) required or diving under the supervision of a certified instructor) that are Limited to \$10,000 ;
3. Dental Care required due to an Injury, 100% of Covered Expenses up to \$500 with maximum per Trip Period and limited to \$250 per tooth;
4. Dental Care for Relief of Pain, 100% of Covered Expenses up to \$250 per Trip Period and limited to \$250 per tooth.

For all other Covered Expenses

First Level Payment.

Until an Insured Person satisfies his/her Out-of-Pocket Maximum for the Period of Insurance, the Insurer pays:

1. 100% of the Reasonable Charge for Covered Expense for Office Visits.
2. 100% of the Reasonable Charge for the Covered Expense for all other Covered Services. The Insured Person pays 0% of the Covered Expense, plus any amount in excess of the Covered Expense and in excess of the Reasonable Charge for the Covered Expense.

Trip Coverage Period Maximum Benefits

The combined total of all medical benefits paid to the Eligible Participant or any Insured Dependent is limited to a maximum of \$1,000,000 during each Trip Coverage Period for each Insured Person, so long as the Insured Participant or the Insured Dependent remains insured under this Plan and so long as the cumulative amount of paid benefits for all Trip Coverage Periods within the Period of Insurance does not exceed the Period of Insurance Maximum.

Please note any additional limits on the maximum amount of Covered Expenses in the discussions of each specific benefit.

V. Benefits: What the Plan Pays

Before this Plan pays for any benefits, the Insured Person must satisfy his/her Period of Insurance Deductible. After the Insured Person satisfies the Deductible, the Insurer will begin paying for Covered Services as described in this section.

The benefits described in this section will be paid for Covered Expenses incurred on the date the Insured Person receives the service or supply for which the charge is made. These benefits are subject to all terms, conditions, exclusions, and limitations of this Plan. All services are paid at percentages and amounts indicated below or in the Benefit Overview Matrix, and subject to limits outlined in Section IV, How the Plan Works.

Following is a general description of the supplies and services for which the Insured Person's Plan will pay benefits, if such supplies and services are Medically Necessary:

Services and Supplies Provided by a Hospital

For any eligible condition other than for Mental, Emotional or Functional Nervous Conditions or Disorders, Alcoholism or Drug Abuse, the Insurer will pay indicated benefits on Covered Expenses for:

1. Inpatient services and supplies provided by the Hospital except private room charges above the prevailing two-bed room rate of the facility.
2. Outpatient services and supplies including those in connection with outpatient surgery performed at an Ambulatory Surgical Center.

Payment of Inpatient Covered Expenses are subject to these conditions:

1. Services must be those which are regularly provided and billed by the Hospital.
2. Services are provided only for the number of days required to treat the Insured Person's Illness or Injury

Note: No benefits will be provided for personal items, such as TV, radio, guest trays, etc.

Professional and Other Services

The Insurer will pay Covered Expenses for:

1. Services of a Physician.

 - d. not primarily for the Insured Person's comfort or hygiene;
 - e. not for environmental control;
 - f. not for exercise; and
 - g. manufactured specifically for medical use.

Note: Medical equipment and supplies must meet **all** of the above guidelines in order to be eligible for benefits under this Plan. The fact that a Physician prescribes or orders equipment or supplies does not necessarily qualify the equipment or supply for payment. The Insurer determines whether the item meets these conditions. Rental charges that exceed the reasonable purchase price of the equipment are not covered.

Ambulance Services

The following ambulance services are covered under this Plan:

1. Base charge, mileage and non-reusable supplies of a licensed ambulance company for ground or air service for transportation to and from a Hospital.
2. Monitoring, electrocardiograms (EKGs or ECGs), cardiac defibrillation, cardiopulmonary resuscitation (CPR) and administration of oxygen and intravenous (IV) solutions in connection with ambulance service. An appropriate licensed person must render the services.

Benefits are payable for dental care for an Accidental Injury to natural teeth that occurs while the Insured Person is covered under this Plan, subject to the following:

1. services must be received during the six months following the date of Injury;
2. no benefits are available to replace or repair existing dental prostheses even if damaged in an eligible Accidental Injury; and
3. damage to natural teeth due to chewing or biting is not considered an Accidental Injury under this Plan.

In addition, the Plan provides benefits for up to three days of Inpatient Hospital services when a Hospital stay is ordered by a Physician and a Dentist for dental treatment required due to an unrelated medical condition. The Insurer determines whether the dental treatment could have been safely provided in another setting. Hospital stays for the purpose of administering general anesthesia are not considered Medically Necessary.

These Covered Expenses are Limited as stated in the Benefit Overview Matrix.

Accidental Death and Dismemberment Benefit

The Insurer will pay the benefit stated below if an Insured Person sustains an Injury resulting in any of the losses stated below within 365 days after the date the Injury is sustained:

Loss	Benefit
Loss of life	100% of the Principal Sum
Loss of one hand	50% of the Principal Sum
Loss of one foot	50% of the Principal Sum
Loss of sight in one eye	50% of the Principal Sum

Loss of one hand or loss of one foot means the actual severance through or above the wrist or ankle joints. Loss of the sight of one eye means the entire and irrecoverable loss of sight in that eye.

If more than one of the losses stated above is due to the same Accident, the Insurer will pay 100% of the Principal Sum. In no event will the Insurer pay more than the Principal Sum for loss to the Insured Person due to any one Accident.

The Principal Sum is stated in Benefit Overview Matrix.

If an Insured Person dies, while traveling more than 100 miles from their place of residence on an overnight trip, the Insurer will pay the necessary expenses actually incurred, up to the Maximum Limit shown in the Schedule of Benefits, for the preparation of the body for burial, or the cremation, and for the transportation of the remains to his/her Home Country. This benefit covers the legal minimum requirements for the transportation of the remains. It does not include the transportation of anyone accompanying the body, urns, caskets, coffins, visitation, burial or funeral expenses. Any expense for repatriation of remains requires approval in advance by the Plan Administrator.

No benefit is payable if the death occurs after the Termination Date of the Policy. The Insurer will not pay any claims under this provision unless the expense has been approved by the Administrator before the body is prepared for transportation.

The benefit for all necessary repatriation services is listed in the Overview Matrix.

Medical Evacuation Benefit

This medically-supervised evacuation will be to the nearest medical facility only if the facility is capable of providing adequate care. The evacuation will only be performed if adequate care is not available locally and the Injury or Sickness requires immediate emergency medical treatment, without which there would be a significant risk of death or serious impairment. The determination of whether a medical condition constitutes an emergency and whether area facilities are capable of providing adequate medical care shall be made by physicians designated by the Administrator after consultation with the attending physician on the Insured Person's medical conditions. The decision of these designated physicians shall be conclusive in determining the need for medical evacuation services. Transportation shall not be considered medically necessary if the physician designated by the Administrator determines that the Insured Person can continue his/her trip or can use the original transportation arrangements that he/she purchased.

The Insurer will pay Reasonable Charges for escort services if the Insured Person is a minor or if the Insured Person is disabled during a trip and an escort is recommended in writing by the attending Physician and approved by the Insurer.

As part of a medical evacuation, the Administrator shall also make all necessary arrangements for ground transportation to and from the hospital, as well as pre-admission arrangements, where possible, at the receiving hospital.

If following stabilization, when medically necessary and subject to the Administrator's prior approval, the Insurer will pay for a medically supervised return to the Insured Person's permanent residence or, if appropriate, to a health care facility nearer to their permanent residence or for one-way economy airfare to the Insured Person's point of origin, if necessary.

All evacuations must be approved and coordinated by Administrator designated physicians. Transportation must be by the most direct and economical route.

With respect to this provision only, the following is in lieu of the Policy's Extension of Benefits provision: No benefits are payable for Covered Expenses incurred after the date the Insured Person's insurance under the Policy terminates. However, if on the date of termination the Insured Person is Hospital Confined, then coverage under this benefit provision continues until the earlier of the date the Hospital Confinement ends or the end of the 31st day after the date of termination.

The combined benefit for all necessary evacuation services is listed in the Overview Matrix.

Payment for meals, ground transportation and other incidentals are the responsibility of the family member or friend.

With respect to any one trip, this benefit is payable only once for that trip, regardless of the number of Insured Persons on that trip. The determination of whether the Covered Member will be hospitalized for more than 7 or is in critical condition shall be made by the Administrator after consultation with the attending physician. No more than one (1) visit may be made during any 12 month period. No benefits are payable unless the trip is approved in advance by the Plan Administrator.

The benefit for all Bedside Visits is listed in the Overview Matrix.

VIII. General Provisions

Third Party Liability

No benefits are payable for any illness, injury, or other condition for which a third party may be liable or legally responsible by reason of negligence, an intentional act, or breach of any legal obligation on the part of such third party. Nevertheless, the Insurer will advance the benefits of this Plan to the Insured Person subject to the following:

1. The Insured Participant agrees to advise the Insurer, in writing, within 60 days of any Insured Person's claim against the third party and to take such action, provide such information and assistance, and execute such paper as the Insurer may require to facilitate enforcement of the claim. The Insured Participant and Insured Person also agree to take no action that may prejudice the Insurer's rights or interests under this Plan. Failure to provide notice of a claim or to cooperate with the Insurer, or actions that prejudice the Insurer's rights or interests, will be material breach of this Plan and will result in the Insured Participant being personally responsible for reimbursing the Insurer.
2. The Insurer will automatically have a lien, to the extent of benefits advanced, upon any recovery that any Insured Person receives from the third party, the third party's insurer, or the third party's guarantor. Recovery may be by settlement, judgment or otherwise. The lien will be in the amount of benefits paid by the Insurer under this Plan for the treatment of the illness, disease, injury or condition for which the third party is liable.

Benefits for Medicare Eligible Insured Persons

Insured Persons eligible for Medicare receive the full benefits of this Plan, except for those Insured Persons listed below:

1. Insured Persons who are receiving treatment for end-stage renal disease following the first 30 months such Insured Persons are entitled to end-stage renal disease benefits under Medicare, regardless of group size.
2. Insured Persons who are entitled to Medicare benefits as disabled persons, unless the Insured Persons have a current employment status, as determined by Medicare rules, through a Group of 100 or more employees (subject to COBRA legislation).
3. Insured Persons who are entitled to Medicare for any other reason, unless the Insured Persons have a current employment status, as determined by Medicare rules, through a Group of 20 or more employees (subject to COBRA legislation).

In cases where exceptions 1, 2 or 3 apply, the Insurer will determine the Insurer's payment and then subtract the amount of benefits available from Medicare. The Insurer will pay the amount that remains after subtracting Medicare's payment. Please note, the Insurer will not pay any benefit when Medicare's payment is equal to or more than the amount which we would have paid in the absence of Medicare.

For example: Assume exception 1, 2 or 3 applies to the Insured Person, and he/she is billed for \$100 of Covered Expense. And assume in the absence of Medicare, the Insurer would have paid \$80. If Medicare pays \$50, the Insurer would subtract that amount from the \$80 and pay \$30. However, if in this example, Medicare's payment is \$80 or more, the Insurer will not pay a benefit.

Alternate Cost Containment Provision

If it will result in less expensive treatment, the Insurer may approve services under an alternate treatment plan. An alternate treatment plan may include services or supplies otherwise limited or excluded by the Plan. It must be mutually agreed to by the Insurer, the Insured Person, and the Insured Person's Physician, Provider, or other healthcare practitioner. The Insurer's offering an alternate treatment plan in a particular case in no way commits the Insurer to do so in another case, nor does it prevent the Insurer from strictly applying the express benefits, limitations, and exclusions of the Plan at any other time or for any other Insured Person.

Any such misstatement of age shall neither continue insurance otherwise validly terminated nor terminate insurance otherwise validly in force.
