What is Global Navigator?

Global Navigator?

What is Global Navigator?

Worldwide health insurance and services for maritime crews and employers.

The Global Navigator health plan is designed to meet a crew member's need for comprehensive worldwide benefits—inside and outside the U.S.—without the typical limits, eligibility conditions and benefit exclusions common among traditional plans. Global Navigator is the premier maritime health plan because it combines these benefits with concierge-level medical assistance and easy access to an elite community of carefully selected hospitals outside the U.S. and a network of over 700,000 doctors and hospitals inside the U.S. Global Navigator gives crews peace of mind, knowing they always have the freedom to access top medical care and benefits no matter where their voyages take them.

Affordable monthly premium with no loading!

Global Navigator Features **HTH Worldwide's Global Health and Safety Services** —
Because crew members need more than insurance.

What good is insurance if you can't find a doctor you can trust?

HTH Worldwide provides all the tools a Global Navigator needs to manage health and safety risks, including finding the right doctor and clearly communicating your medical condition.

Easy Access to an Elite International Provider Community

HTH's expanding International Provider Community of over 7,000 carefully selected medical providers covers almost every country of the world. Because of HTH's rigorous selection criteria, less than 2% of providers outside the U.S. qualify to participate. Representing more than 100 specialties and subspecialties, the Provider Community database is searchable online to review detailed profiles of each provider.

Participating doctors, dentists and behavioral health professionals are English-speaking and individually contracted to schedule outpatient visits via HTH's online request service and to accept payment directly from HTH.

Global Navigator members are always free to choose any medical provider outside the U.S. without incurring a financial penalty.

The Freedom to Access Care in the U.S.

Global Navigator members also gain access to a contracted nationwide network of over 700,000 preferred providers, including more than 4,000 hospitals. The plan also covers care delivered by non-contracted providers.

Emergency Evacuation and Centers of Excellence

HTH coordinates emergency services with a worldwide network of contracted Regional Physician Advisors as well as air ambulance operators selected for their safety records. Members in need of life-saving medical intervention are treated in Centers of Excellence in the U.S. and around the world whenever possible.

Around-the-Clock Assistance Call Center

HTH maintains a 24/7, toll-free call center to assist Global Navigator members with everything from routine requests to medical emergencies. HTH staff has years of experience with international medical assistance and has close working relationships with its International Provider Community.

Unsurpassed Member Services

Direct Pay—Paperless, Cashless, Convenient

HTH members can avoid paying out of pocket for care by using Direct Pay. Through this service participating providers outside the U.S. bill HTH directly for covered medical treatment.

Personalized Recruitment—Meeting Your Needs and Expectations

If members need a physician in a location not currently covered by HTH's network, HTH makes every effort to recruit an appropriate, qualified doctor.

Well Prepared and Informed Choice—To Get the Care You Need

Members can create a Well Prepared personal web page to store search results for physicians, drug translations and more. If members experience unanticipated medical problems, they can request local, regional or global treatment alternatives through the Informed Choice service.

mPassport®—Vital Information in the Palm of Your Hand

Members can locate emergency services, search for a doctor, hospital or pharmacy, translate drug brand names and key medical terms and receive up-to-the-minute health and safety alerts from their web-enabled cell phones via HTH's mPassport service.

How to Apply

Applications are available online or may be initiated by telephone or email. See back cover for details.

A personal check, money order or credit card number must accompany the application and must be sufficient to pay for one month of standard premium. HTH will hold the form of payment until an underwriting decision is made. If your application is accepted, the payment will be applied to your account. Quotes obtained online or by telephone are advisory only. Actual premium is determined by the medical underwriting process.

HTH Worldwide will review your medical history as provided on the application and may request an Attending Physician's Statement. HTH publishes standard premium rates for non-smokers. Smokers and other applicants with certain medical histories may be offered a policy at a higher rate. Not all applicants will be accepted. Your effective date of insurance will be on the 1st or 15th day of the month following underwriting approval.

Member Welcome Kit

When your application is accepted, HTH Worldwide will mail you and any family members covered under the plan a Welcome Kit with identification cards, a certificate of insurance and instructions on how to register online to use HTH's Global Health and Safety Resources. Procedures for filing a claim or requesting direct payment of participating providers will also be included.

Eligibility

Global Navigator is designed for extended living abroad. You can choose to enroll in a new plan when your existing plan expires. When you do, there are no medical questions and premium rates do not change based on your individual claims history. Your new rate will be the same as all persons covered in your rating class.

7. Conditions of Application

It is important that you carefully read and fully understand the following.

I, the undersigned, understand that, under the Global Navigator plan for which I am applying, I may be entitled to lesser benefits if I use a nonparticipating hospital, physician, or other provider, than if I use a participating hospital, physician or other provider.

All applicants age 18 and over must personally read, agree to, and sign the following. If an applicant does not read English, the translator must sign and submit the Statement of Accountability, Section 9, for translating this entire application.

Effective Date

If you currently have health coverage, we strongly recommend that you maintain your current coverage, and allow us to assign your effective date FOLLOWING APPROVAL. If, however, you would like to request a specific effective date, we strongly recommend you allow 30-60 days for underwriting. This will help ensure that your application is processed before you surrender your present insurance and will prevent you from being required to pay for two policies.

NOTE: If a child is born to the participant the child has to be registered within 31 days. All other children including adopted children must go through underwriting.

I request that HTH Worldwide assign my effective date if my application is approved. My effective date will be assigned as either the 1st or the 15th of the month following the approval date of my application.

If HTH Worldwide approves my application, please assign an effective date of the

- 1st of the month following approval.
- 15th of the month following approval.
- 1st of _____ 15th of _____

This date must be AFTER the signature date but not greater than 75 days from the signature date on this application.

REQUESTING AN EFFECTIVE DATE DOES NOT GUARANTEE UNDERWRITING TO BE COMPLETED BEFORE THE DATE REQUESTED. I UNDERSTAND THAT IF I SELECT AN EFFECTIVE DATE, ONLY HTH WORLDWIDE CAN CHANGE THIS DATE, HOWEVER, HTH WORLDWIDE CANNOT CHANGE THIS DATE UNDER ANY CIRCUMSTANCES ONCE THE PLAN IS ISSUED.

- I understand and agree that if HTH Worldwide rejects my application, under no circumstance will any benefits be payable for any person listed on this application. Receipt of money, and/or cashing of my premium check or charging this amount to my credit card by HTH Worldwide does not constitute approval of my application or create Global Navigator coverage.
- If I am accepted, this application will become part of the agreement between the insurance carrier and myself.
- HTH Worldwide may request additional information, and this may delay processing of this application. If the health care provider charges a fee for these services, HTH Worldwide will determine payment, and I will be responsible for any difference.

If the family member is a minor, I accept full legal and financial responsibility for the coverage and information provided on this application.
